GETTING STARTED GUIDE

GRADES 6th-8th CHROMEBOOK LOG-IN

1. Turn on your Chromebook

New model: Open your Chromebook and it will automatically power on. If it does not, the power button is located on the left side edge.

Old model: Press the Power Button on the top right of the keyboard until your Chromebook begins to light up.

2. Enter your username then click **“Go”**
Username = Student ID#
3. Enter your password then click **“Go”**
(This is a unique password that you created)
4. The Clever login screen will appear, click on **Student & Campus Staff Login**
5. You are logged in and learning can begin!
